Oct 2021- Dec 2021

The plot of a project is designed to develop personnel where teachers and students can get access over their daily work schedule. Personnel Management is that part which is primarily concerned with the human resource of an organization.

Loan Prediction Analysis (LPA)

March 2022 - May 2022

In the banking system, banks have a variety of products to provide, but credit lines are their primary source of revenue. As a result, they will profit from the interest earned on the loans they make. Loans, or whether customers repay or default on their loans, affect a bank's profit or loss. The bank's Non-Performing Assets will be reduced by forecasting loan defaulters.
